

The mission of the Elizabeth Education Foundation is to enhance the educational process and opportunities for all students, teachers, employees, parents and community members in the Elizabeth C-1 School District.

Dear Valued Elizabeth Business Member and Education Supporter,

You are invited to help sponsor the 2010 Elizabeth Education Foundation STARS (Students Taking Accountability and Responsibility Seriously) Banquet. The STARS Banquet recognizes local students for their high academic and community service achievements.

The STARS program was established in 1998. Each year Elizabeth C-1 faculty members nominate approximately 50 students from grades 5 through 12 to attend the STARS Banquet. The Banquet is an "invitation only" event where these outstanding students receive recognition for their hard work. Come join the EEF in celebrating our local outstanding youth!
